We chart our routes with one objective in mind: to explore the most exciting and exotic destinations in the world. Our mantra is leisurely exploration, giving you the freedom to absorb, to enjoy and to relish. Here are some examples of the trips we've done over the past couple of years, as well as some we have planned for the future.

ADVENTURES AHEAD

The World is for those with a passion for exploration. From iconic cosmopolitan cities such as Venice, New York, Buenos Aires and Rio de Janeiro to picturesque ports such as Aomori, Portofino, Belle Ile and Pangkor Laut, each destination we visit is chosen for its individuality, its authenticity and its allure. To keep our routes dynamic and unique, we include a few exotic expeditions every year like our forthcoming trips to Greenland and Antarctica.

Travel aboard *The World* guarantees endless discovery.

TRAVEL BY DESIGN

At *The World*, we encourage freedom of spirit; to roam where you will and to explore at your own pace. Our *Travel by Design* programme, where you create your own personal journeys and adventures, is part of that ethos. Whether as a Resident or as a Guest, you choose when and where you would like to join and leave the ship. And it is because of this approach that we stay at port for various days, giving you enough time to get to know new destinations, or indeed to re-discover old favourites.

Our routes are charted 18 months in advance but you will notice some dates on the itinerary are marked as "Captain's Choice". This allows the Captain to stop somewhere unplanned to add an element of spontaneity and adventure to our itineraries. Again, our spirit of freedom and our commitment to individuality come alive in this flexible approach to planning our trips.

SUGGESTED VOYAGES

Although the option of designing your own itinerary is always available, here are some of our favourite voyages that we're looking forward to in the next couple of years. We would be delighted if you joined us.
